Early Childhood Screening

In Minnesota, ALL CHILDREN are required to complete Early Childhood Screening before entering kindergarten. Screening is FREE! As soon as your child turns 3 years of age, they are ready for screening. An assessment of your child's vision, hearing, height, weight, immunization records, and overall development will complete the screening process.

Screening is held at the ROCORI DEF building, 527 Main Street.

Upcoming dates:

February 6, March 27

8:15 AM -3:45 PM

Summer Rummage Sale

We will not be having the summer rummage sale.

The summer rummage sale was started during COVID when we couldn't have our main fundraisers and was an effort to help get us through those times.

The rummage sale funds went to our tuition assistance program.

Our volunteers have stepped down and we appreciate all their work and support over the last few years.

Our commitment has been to focus on our main 3 required fundraisers and not over ask volunteering/fundraising commitments from our families.

We have had other generous donations each year to support our tuition assistance program and will continue to offer that for families in need.

ROCORI Lacrosse Information

Come and see what Lacrosse is all about.
